2. Home Page
3. Time Logs Page
4. Clock in & Clock Out
5. Log Out

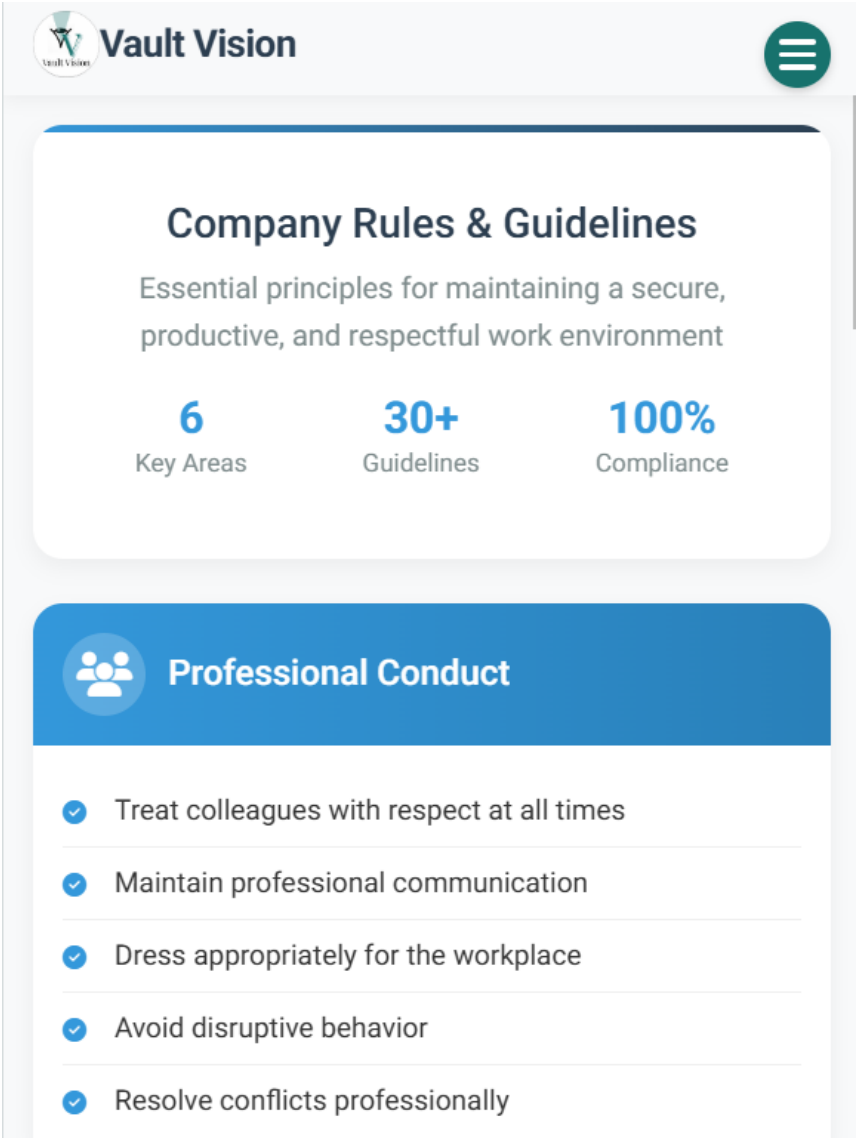

Log In Page

The log in page requires you to enter your employee registered phone number. Once you have entered all 10 digits of your phone number you will be able to click to send an access code. Input the 6 digit access code into the box and click to log in.

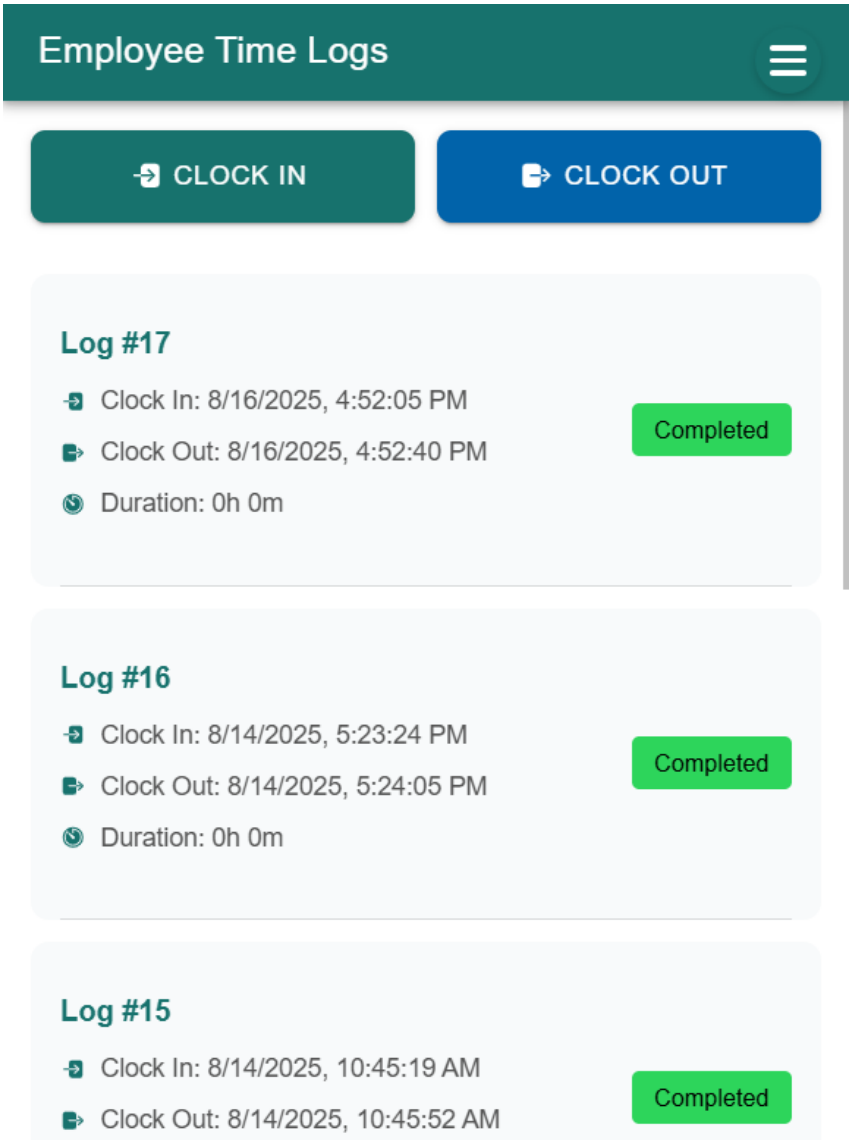

Home page

Once you have logged into the system the home page is displayed. The home page contains company rules that all employees are to adhere to. Failure to adhere to these rules will result in an employee warning being issued.

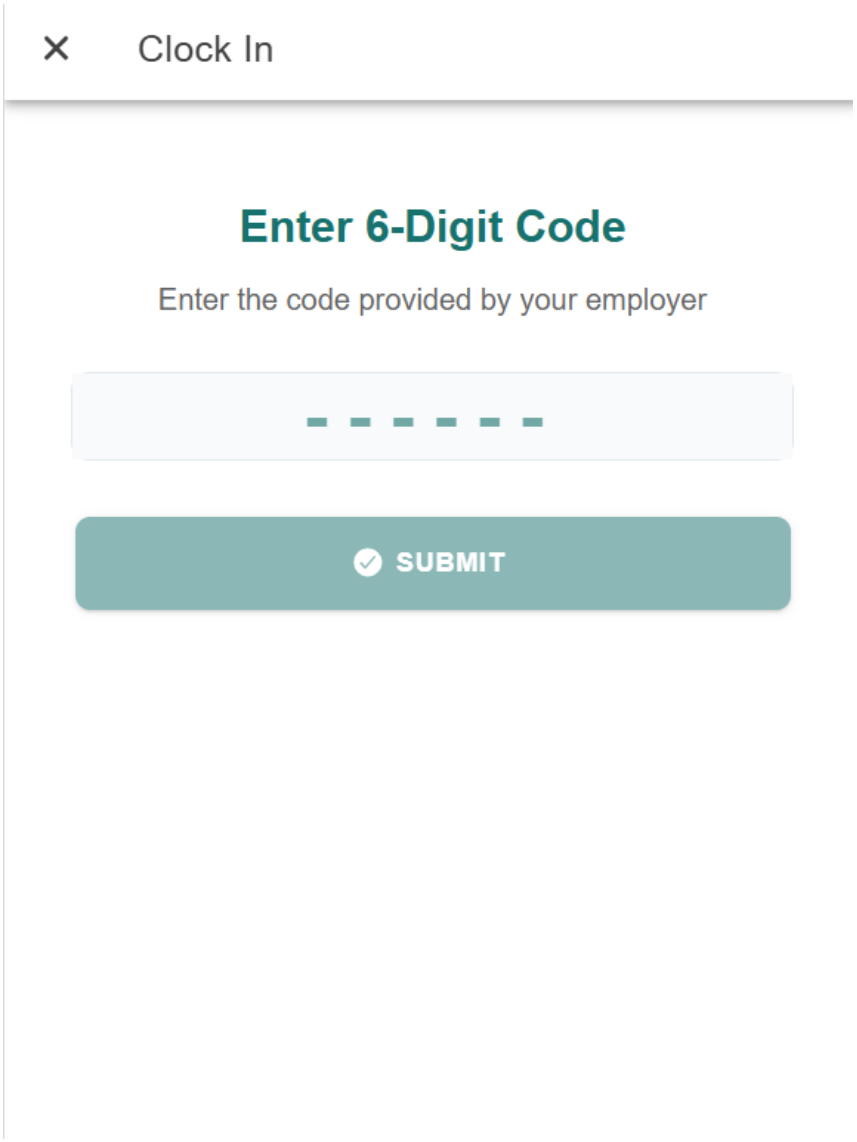

Time Logs Page

Your employee time logs are displayed on this page. Any disputes in inaccurate times should be taken up with reception. Failure to do so will result in discrepancies in payslip information

Clock in & Clock out

To clock in and clock out, request a 6-digit code provided by the receptionist. Enter the 6-digit code within 5 minutes and you time of clocking in will be recorded

Log Out

To log out of your employee app, click the help button. Once clicked, you will return to the Log In page.
